Jabra UC VOICE™ 550

CLASSIC AND COMFORTABLE UC HEADSET

DESIGNED FOR THE DISCERNING USER

The Jabra UC VOICE™ 550 is a corded headset designed specifically for Unified Communications deployments. The headset is made for desk-centric professionals who occasionally work from different locations and need to take the headset with them. It appeals to users favouring the classic leatherette design.

COMFORTABLE LEATHERETTE DESIGN

The Jabra UC VOICE™ 550 is a classic-looking headset with soft leatherette padding on the headband and comfortable ear cushions. The headset is designed for light-to-medium usage.

CRYSTAL CLEAR SOUND

The headset features superior sound clarity for softphone calls, conference calls, live presentations and other multimedia applications. The noise-cancelling microphone ensures that the recipient cannot hear any background noise from the speaker's surroundings. This makes the headset suitable for use in louder office environments.

FLEXIBLE BOOM-ARM TIP FOR OPTIMAL POSITIONING

A flexible boom-arm tip ensures ideal microphone placement.

EASY TO DEPLOY AND OPERATE

The Jabra UC VOICE™ 550 is certified and optimised with all leading Unified Communications platforms. Simply connect the headset to the computer and it is ready for use.* The intuitive call-control unit attached to the cord allows for fast user adoption.

1. Crystal clear wideband sound
2. Soft leatherette padding on the headband
3. Comfortable leatherette ear cushions
4. Noise-cancelling microphone
5. Adjustable speaker chambers for optimal coupling to the ear
6. Flexible boom-arm tip for easy microphone adjustment
